

On Saturday 1<sup>st</sup> June we held a fund raising, five a side, football Tournament to raise money for Housman court's Garden project and Catshill under 10 football club.

This was the third year the event has been held at South Bromsgrove High School and as always it was a fun filled, competitive day. Everyone who came along enjoyed the day although I'm sure some of the players would have preferred some rain to the hot sunshine.

Whilst the tournament was in full swing there was also a BBQ, refreshments, raffle and pick a square to win £100. This was all organised by Lisa Dews – Deputy Manager of Housman Court and Gaz Evans – Catshill Under 10 football club Manager. They have worked so hard, as always, getting the teams together, co-ordinating the day and securing prizes etc.

We would like to thanks all of the local business' and members of the community who kindly donated prizes including Broad Street DIY for the gas for the BBQ. Also many thanks to the participants and the team of volunteers without whom the event would not run smoothly.

The tournament winners were:

- Sutton FC – won the youngsters group
- Bromsgrove Select – won the adults group

The tournament raised £1400 which is split between to the two groups and will make a huge difference to them and in particular the ladies and gents of Housman Court for the garden project, which will enhance the garden experience for those who live at and visit Housman Court.
