"BETTY"

I WOULD LIKE TO OFFER A WARM WELCOME TO OUR ST. JOHNS

FIRSTLY WE EXTEND OUR APOLOGIES FOR THE LATENESS OF THE
MONTHLY NEWSLETTER AS WE HAVE TAKEN A BRIEF BREAK IN
ORDER TO REVAMP OUR FORMAT AND ADJUST OUR FOCUS IN HOW
WE WOULD LIKE TO COMMUNICATE ALL THE INFORMATION WE
SHARE WITH YOU.

IT IS STILL WORK IN PROGRESS BUT MOVING FORWARD WE WOULD LIKE TO
ATTEMPT TO MAKE OUR RESIDENTS HERE AT ST. JOHNS MORE INVOLVED IN
THE PROCESS , AND DELIVER SOMETHING WHICH IS ENGAGING TO READ ON
A MONTHLY BASIS FOR BOTH THEM AND THEIR RELATIVES.

MUCH HAS HAPPENED HERE AT ST. JOHNS IN THE RECENT MONTHS SO
AGAIN IF I FORGET TO INCLUDE ANYTHING APOLOGIES.

UPCOMING PROJECTS AND EVENTS TO
LOOK OUT FOR AT ST. JOHNS

THE DEMOCRATIC REPUBLIC OF ACTIVITIES

Whilst continuously striving to brighten the days of our st. johns family, we are always planning, imagining and dreaming up new experiences for them to participate in.

But we as an activities team feel it is time for **you** the st. johns community to have **your** say.

So at some time this month a ballot box will be placed in the reception area complete with a sheet of proposed activities currently in the pipeline where **you** will have the ability to vote for which **you** feel will be most popular, or relevant to **your** own enjoyment. Alongside this will be a suggestion box for **you** to add activities that **you** feel **you** would benefit the most.

This will empower our residents to form the choices of how they would like to spend their spare time. As well provide us valuable data in relation to which projects we should be pursuing together, and which ones may not be hitting their marks.

This can extend to a choice in the location of trips where feasible, which theme days occur as well as the type of entertainment we book. I will personally be conducting one to one surveys with our ladies and gentlemen to gain a deeper appreciation of their likes and dislikes.

I feel its about time we stop telling you what we have planned for you , and you start telling us what you have planned us

The portrait gallery .

Our most recent project was has concluded a few days ago in which all of our residents have had photographs edited into painted portraits. Many have you will have seen them hanging in our miniature gallery.

If not please do as every resident has one. They can be located opposite faves office, and also outside the nurses station on the ground floor.

Weekly postcards

We know that sometimes you may not be able to visit your loved ones as much as you would like so we would like to propose a new system in which you can send a message to the st. johns facebook under the heading of your relatives name.

Once a week these messages will be transferred onto postcards, delivered to their rooms and read to them , in return will be able to write or dictate a reply. Which will be sent back to you.

We all know the uplifting benefits of receiving positive mail, this programme can be used to open lines of communication that are not always available, plan your next visit, keep your loved ones in the loop with important family events, send photos from gatherings or your holiday but most importantly this will enable your entire family to stay in touch.

This project can only succeed or fail depending on levels of participation, so lets make it work guys.

THE CARE AWARDS

Well it was that time of year again folks, the most prestigious event in our calendar, The Oscars of the care industry itself

The national care awards.

Congratulations to all of our winners your achievements have been recognized and will echo throughout eternity.

But as far as I am concerned you are all winners, every last one of you is dedicated, passionate empathetic and loving. You amaze me on a day to day basis. You all consistently enrich the lives of our ladies and gentleman here at st. Johns and even though I believe everybody has been thanked personally with there own personalized thank you card

"Really nice touch Faye, and trust me I would never handwrite that many cards, so I feel you need thanking for going that extra mile to make every last one of us feel appreciated "
